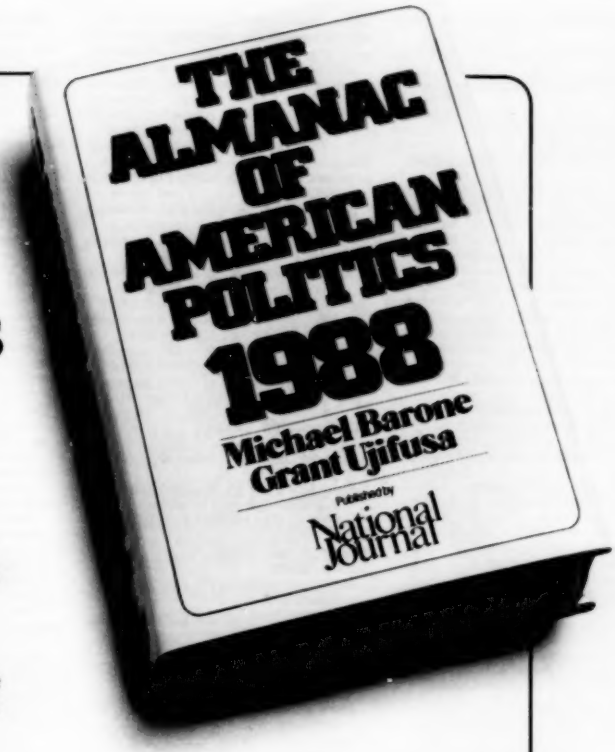
The single best reference for anyone who needs to understand and influence American politics



Edition after edition, THE ALMANAC OF AMERICAN POLITICS continues to be the most comprehensive and most useful political reference ever published, containing over 1500 pages of vital political statistics, informed predictions and shrewd analysis.

But the ALMANAC is much more than politics. It's a rich, entertaining portrait of America and American life—our economy, geography, technology and culture—written in a lively, readable style.

Inside the ALMANAC you'll find profiles and photos of every Member of Congress and each state governor, vivid descriptions of each of the 50 states and all 435 Congressional districts, ratings by *National Journal* and influential lobby groups, voting records on the 12 most critical issues of the 99th Congress, hundreds of easy-to-read tables with key statistics on the 1986 elections, campaign finances, and more!

The 1988 edition of THE ALMANAC OF AMERICAN POLITICS is a must for anyone who participates in, writes about, or wants to influence or understand American politics. Reserve your copy today! Publication date: July, 1987.

"THE ALMANAC OF AMERICAN POLITICS is to politics what the *Baedeker Guide* is to travel. With it you'll learn to appreciate the unexpected and in the process you'll better understand the world around you. It is indispensable for anyone who follows American politics."

Bill Bradley
U.S. Senator

"Indispensable to the professional observer of Washington."
